PROVISION OF MIDLINE SURVEY CONSULTANCY

Issued by: Bright Project, Tabora Tanzania.

Issue date: July 31, 2025

Submission deadline: August 15, 2025, at 5:00PM EAT

Overview

Founded in 1992, Nutrition International is a global organization focused on delivering low-cost, high-impact nutrition interventions to those who need them most. Our world-class expertise, combined with over 30 years of on-the-ground experience, has enabled us to multiply impact by partnering countries, donors and implementers to reach one billion people to date. Whether we are conducting cutting-edge research, influencing policy, improving delivery, or integrating nutrition into broader development programs, our ethos remains the same: we make a difference, because nutrition is the difference.

Nutrition International-Tanzania invites applications from interested and eligible firms for the ***provision of midline survey consultancy*** as described in the Terms of Reference.

How to obtain detailed terms of reference

Interested and eligible firms should send their official business email address to bidsafrica@nutritionintl.org **to receive Detailed Terms of Reference and for purpose of receiving any addenda, should they arise.** The subject line should read **“Midline Survey for BRIGHT Project”**
